NEXGEN.D.PAHARI@GMAIL.COM

NEPAL, KATHMANDU

Designing intuitive and engaging digital experiences as a UX/UI Designer, with over two years of experience, a strong foundation in front-end development, a creative problem-solving mindset, and a commitment to continuously refining designs for maximum usability and impact.

EXPERIENCE

SRIYOG

MAY 2025 - JUNE 2025

UI/UX Designer Intern

Completed 2 major projects, including dashboards and websites, leading one project and collaborating closely with developers and team members. Contributed to additional design work, delivering responsive, user-centered interfaces refined through professional feedback.

PROJECTS

Codynn Website Redesign | UX Research & UI Design

Redesigned the Codynn website using a research-driven approach. Evaluated the existing interface to identify usability issues, conducted competitor analysis, and redesigned the website to improve navigation, content clarity, and overall user experience.

Tea Website – WhatsApp-Based Ordering Experience

Designed a tea website with a WhatsApp-based ordering system instead of a traditional checkout. Developed an add-to-cart to WhatsApp order flow, enabling direct communication between users and the business owner while keeping the interface simple and accessible.

- Collaboration
- Adaptability
- Feedback Handling
- Adaptive Learner

DIPAK PAHARI

UI/UX DESIGNER

Savvy’s Collection , Women’s E-commerce Website | Client Project

Designed an e-commerce website for a women-focused clothing and lifestyle brand. Created product listings, browsing flow, and purchase experience with a modern, clean interface tailored to the target audience.

Sriyog Admin Dashboard | UI/UX Intern

Designed an admin dashboard interface to manage interns and internal workflows during my internship at Sriyog Consulting Pvt. Ltd. Focused on layout clarity, spacing, readability, and reusable components in Figma to deliver a professional, structured, and responsive dashboard for real operational use.
